WHAT IS THE NIGHTMARE?...

The Nightmare has become one of Christmas Lake's signature golf events. It started out as a few guys sitting around the 19th hole coming up with a goofy golf day game to pass the time before the bar opened one winter day.

The golf course is set up at maximum length of close to 7300 yards with some nasty pins (some tough to putt at and some tough to get to). The scramble format removes some of the sting, but come prepared. We have had snow, ice, rain, wind, and even 65 degrees and calm...but it is never easy.
